Arrangements for Concert.

The Secretary reported that the Vicar would
not allow the use of the National Schoolroom for
the Brigade's Concert.

It was then arranged to hold the Concert at
the Fawbert & Barnardo Schools (if permission could
be obtained) on the 1st & 2nd January 1901.

Mr. Rogers reported that it was impossible to
have a Prograph as that machine required electric
light.

In arranging the Programme it was decided to
ask Mr. Rogers to endeavour to get a Cinematograph
for one half & the Secretary to write to the
Stortford Musical Coms. for their terms for supplying
the other half of the entertainment.
