Calling 1 Brigade

The Meeting considered it desirable that some further method ~~should~~ of calling the Brigade should be adopted & the following suggestions were made.

1. That the Police be provided with a list of names of the Members with their addresses.
2. That wall plates with the word "Fireman" be fixed outside each Firemans residence.

The Secretary was directed to make enquiries as to cost of Wall plates & report to the Committee & also consult with the Police respecting suggestion No. 1
