Competitions on Whit Monday had resulted in a
profit of £46. £40 of which had been placed on
deposit at Mess Barclay & Co Bank. The object being
to raise a fund for the purchase of a New Steam
Fire Engine.

The Late Engineer Bryan

It was unanimously resolved:-

That the Brigade wish to place on record their
appreciation of the Late Engineer Bryan's valuable
Services to the Brigade, and to express their
Sympathy with the Widow & Family in their sad
loss.

Filling of Vacancy

A letter was read from William G Prior applying
for the post as Engineer.

The Captⁿ said he had made full enquiries & was
quite satisfied as to Prior's ability to fill the post.
He also read a letter from Prior's Employers stating that
he could leave his work at any time in order to
attend Fires.
