

Reserves Horonell Howe & Clements having expressed their willingness to continue with the Brigade it was unanimously resolved that they should do so and in case of Fires it was arranged that the Reserves should be on duty at the Fire Station & receive the scale pay while on such duty.

It was further resolved that Reserve Horonell should act as a Fireman in place of Fireman Archer until his return from the Army.

#### Air Raid Duty

On the motion of Chief Officer Stockolds seconded by Reserve Howe a vote of thanks was passed to Fireman A Taylor for his valuable services during the recent Air Raids he having been on duty on each occasion both day & night.

Fireman Taylor suitably responded.

#### Fire & Water

At the suggestion of Second Officer Hacey it was decided to again subscribe out of the funds for "Fire & Water" for the use of the Firemen in the Committee Room if that paper was now published.

Arthur Stockolds.
